FINAL FILING DATE: Until Filled

The California Energy Commission, a special funded agency, is looking for a qualified candidate for the Siting, Transmission and Environmental Protection (STEP) Division to help shape California's critical energy future. The STEP Division ensures that needed energy facilities are authorized in an expeditious, safe and environmentally acceptable manner. We prepare environmental documentation for the Commission as required by the California Environmental Quality Act (CEQA). To attain our objectives, the Division maintains a committed and creative staff of experts in more than 20 environmental and engineering disciplines. The Division's range of technical expertise allows it to perform balanced independent evaluations of complex and controversial projects. If energy is your passion, or if you feel compelled to help mold our energy infrastructure for a renewable future, then we encourage you to apply.

DUTIES/RESPONSIBILITIES: Under the general direction of the Biology Unit Senior, the Planner II-EFS is responsible for performing the more difficult and complex technical analyses assessing biological resources implications of energy resource utilization and electric power generation. The Planner II may also act as a working team leader over a group of technical specialists or, on the most complex projects, may work independently as a subject-matter expert to formulate and develop solutions to difficult problems. The full duty statements are available at <http://www.energy.ca.gov/careers/jobs.html>.

DESIRABLE EXPERIENCE/QUALIFICATIONS: The successful applicant should have experience in biological resources fieldwork. The Planner II should have knowledge of the California Public Resources Code pertaining to energy conservation and development, as well as knowledge of Federal, State, local government and private agencies involved in energy. The incumbent must have the ability to analyze complex data and to prepare and present complex and comprehensive reports and recommendations orally and in writing, as well as the ability to analyze situations accurately and take effective action. The Planner II should possess knowledge of environmental issues associated with energy production and use in California and energy facility siting, legal requirements protecting biological resources, and mitigation techniques to prevent significant impacts. The Planner II must have the ability and flexibility to travel and effectively participate in site visits, public workshops and hearings.

WHO MAY APPLY: Eligible candidates who are current state employees with status in the above classification or lateral transfers from an equivalent class, former state employees who can reinstate into this class or persons who are reachable on a current employment list for this classification. APPOINTMENT IS SUBJECT TO THE PROVISIONS OF THE SROA PROCESS: SROA/SURPLUS/ REEMPLOYMENT CANDIDATES ARE ENCOURAGED TO APPLY; SURPLUS EMPLOYEES MUST ATTACH A COPY OF THEIR SURPLUS STATUS LETTER.

All interested applicants must submit a completed Standard State Application (Form STD. 678) to the address listed below. Clearly indicate the basis of your eligibility (i.e., list, transfer, SROA/Surplus, reinstatement, etc.), RPA#760-106 and Position #760-4756-060 in the explanation section of the STD. 678. Failure to provide this information may result in your application not being considered by the hiring supervisor.
